

Customer Project :Date of proposition :Updated : 09/2017Professional Experience : **12 years****MSI DESIGNER / DEFINITION DOSSIERS EXPERT CHECKER (CTD)**

- Quality Focal Point (CTD Checker)
- MSI Designer

DIPLOMA

- 2004 : Maîtrise Science Production Industriel - Université Paul Sabatier
- 2003 : Licence Science Production Industriel - Université Paul Sabatier
- 2001 : DUT Génie Mécanique et Productique Techniques Aérospatiales - Université Paul Sabatier

TRAININGS :

- 2009 : Awareness Professional English
- 2010 : Awareness PRIMES A400M
- 2010 : Awareness PDMLink
- 2011 : Awareness VPM
- 2016 : Awareness Full3D

PROFESSIONAL EXPERIENCES**From
05/2009****FERCHAU Engineering****From 05/2015 : BELUGA XL - MSI ATA21 Air conditioning****Designer CATIA V5, composite pipes and ducts (AIRBUS)**

- Change Request preparation
- Pipes design and assemblies with additional parts (Surfacing & Tubing Modules)
- ATA 53 supports IP preparation.
- Technical check for Full 3D on all ATA's – ATA21, Tubes & Pipes and Misc. ATA on NFA.

2009 - 2017 : CTD checker all programs

- Analysis et check for all definitions dossiers
- Quality process development and improvement

- A380 (Centre Fuselage A380 mechanical systems / Central section Pylon et Systems Installation)
- A400M (Cockpit)
- ATR Wing& Nacelles
- A350 MLGB
- Beluga XL (FULL 3D drawings – 900 Drawings delivered, OQD > 98%)

2005 à 2009 SURFETUD Toulouse (31) :**02/2006 - 08/2008 : Mission in EDT Cornebarrieu (31) : Engineering, support and trainig for design desk in mechanical and electrical.**

- Analysis et check for all definitions dossiers for AIRBUS A/C division
 - CAD Check (CADDs)
 - Non CAD Check (paper format)
 - GILDA
 - AIRBUS Standard

07/2005 à 02/2006 : In premises**Tooling designer with CATIA V5**

- Design and drawing for production tooling (cut-out, drilling... for A/C parts) and assembling tools in CATIA V5.
